Hi Samantha

Thank you for the update. Would you be able to share with me a copy of the other 3 draft papers? This would be helpful for the work on Border of the Future that we are tracking.

Thank you,
Ramona

Good afternoon Ramona,

We are still missing the papers from US (Biometrics) and NZ (Digitization).

Minh will be sending out a reminder tomorrow to the affected countries.

Thank you,

Hello Samantha,

I was just in a meeting with Peter Hill and he asked whether all five countries have circulated their draft papers following the Tech Forum in London. Would you be able to advise who has shared draft papers? If they have not yet done so, will you be sending out a reminder to each partner?

Biometrics (US)

Artificial Intelligence (Canada) – circulated

Block Chain (UK)

Digitalization (NZ)

Data Analytics (AU)

Thanks,

Ramona
